Reunions

The reunion season this year was filled with several amazing events so we've added some pictures for you to enjoy. The Classes of 1980, 1985, 1990, and 2000 all had social events that were fun and entertaining. As this newsletter is written, the class of '81 is considering a 30th reunion. The Class of 1991 is planning a 20th reunion at Grandview Tavern on Saturday, Oct 1. The Class of 2001 will have its 10th reunion at Molly Malone's on Oct 1 as well. The Class of 2006 has already enjoyed an informal reunion on Aug 12 also at Molly Malone's.

News

Tom Madison, who has served as Scott's principal for the last four years, has retired to spend more time with his family. He is replaced by Dr. Brennon Sapp. We appreciate Mr. Madison's service and wish Dr. Sapp the best of luck leading Scott High School.

The Scott High School Alumni Association has been reorganized to gain effectiveness. A board of control of volunteers has been chosen to make policy for the organization and has immediately made some improvements such as incorporating the organization and linking the alumni association's website (scotthighschoolalumni.org) with Facebook and Twitter. In fact, the alumni website has a link to each class Facebook site along with the Scott High School Eagles Alumni Facebook page. The members of the board include Terri Perkins Adams ('85), President, Vickie Schunder Groppenbecker ('82), Peggi Durstock Benner ('83), Kim Clayton Code ('90), Casey Fisk ('96), Witni Dailey Szantyo ('03), and Spring Schneider ('07).

Scott High School continues to be renovated. Work is underway behind the school to begin to make a series of changes that will affect the whole physical plant. When the process is complete, the back of the building will be the front. In addition, the traffic situation will be reorganized with both car and bus traffic rerouted. With the widening of Old Taylor Mill Road being incorporated, the situation will be very different from the past. It will be an on-going mess for awhile, but the results should be impressive.
